

London Market Report

November 2011

Astbury Marsden

2,670

roles released

32% less than Nov 2010

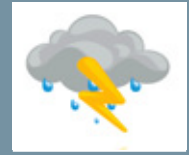

16% less than Oct 2011

5.5

candidates competing for each new role

£82,874

is the average salary of banking professionals in 2011 according to our recent survey.

OUTLOOK

Online Activity

This table shows the year on year trend in online recruitment activity.

Roles advertised online levelled off during October. The trend is likely to continue downward out to the year end. Contract opportunities continued falling rapidly on 2010 volumes during the period.

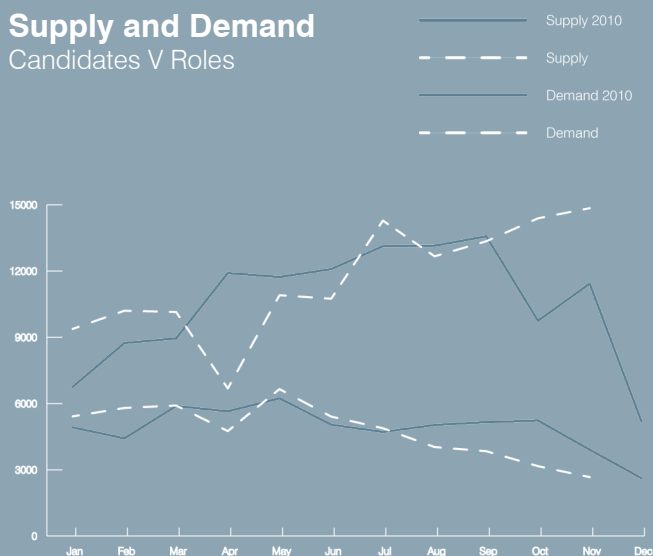

October 2011

	Banking & Insurance	All Sectors
All Roles	2%	19%
Permanent	3%	18%
Contract	-36%	-19%
